Dawn, I will need something that you are comfortable with going into the Admin Record.

Here's what I am including right now.

Please feel free to turn it into a "real " document...versus an email. The email was good for the Special Bulletin but we have moved to the Action Memo (being reviewed by HQ). Of course we need this asap.

thanks.

Dawn -

Subsequent to conversations between ATSDR and residents, the [Ex. 6 - Personal Privacy] well (initially located on the maps at the same location as the [Ex. 6 - Personal Privacy] well, was found to be located at another location on [Ex. 6 - Personal Privacy]. This well serves a barn and there is no home located at this location that we know of at this time.

Actual Number:

Well #6 - [Ex. 6 - Personal Privacy] 3.1 ug/L DEHP
